Lamesa High School
Lamesa, Texas

Dear Jim:

It was great being with you and the graduating class of Lamesa High School last Friday night. Thank you for the kind reception.

I appreciated the attention of the seniors and their conduct throughout the whole evening. The commencement was carried on in a most orderly fashion by the administration as well as the graduates. It was my pleasure to be a part of the occasion.

Thank you, also, for the generous honorarium. I send all of you my best wishes in your future educational endeavors with the young people in Lamesa.

Sincerely yours,

John Allen Chalk

Dear Mr. Chalk:

Please excuse the tardiness of this letter to confirm your speaking engagement here at Lamesa High School on the night of May 30. As you probably can understand, this time of the year is a most busy one for we in the school business.

We are delighted that you will be able to be with us to deliver the commencement address for the Lamesa High School graduating class of 1969. Dr. Porter Crow was highly complimentary about you and your qualifications and we feel very privileged to have a man of your caliber to be with us for such a special occasion.

I have received the information concerning your background and do appreciate having such information available.

The commencement exercises are scheduled for 8:00 o'clock in the evening and I would appreciate your being here a few minutes early in order that we might make any last minute arrangements that are necessary.

Yours truly,

LAMESA HIGH SCHOOL

Jim Williams,
Principal
